# INDICE

|                                                                                                         |    |
|---------------------------------------------------------------------------------------------------------|----|
| Descripción general .....                                                                               | 6  |
| 20 Principales .....                                                                                    | 9  |
| Casos nuevos de enfermedades de notificación inmediata .....                                            | 10 |
| Enfermedades Prevenibles por vacunación .....                                                           | 11 |
| Rotavirus .....                                                                                         | 11 |
| Hepatitis A .....                                                                                       | 11 |
| Hepatitis B .....                                                                                       | 11 |
| Infección de virus de papiloma humano .....                                                             | 11 |
| Influenza (J09-J11) .....                                                                               | 12 |
| Meningitis tuberculosa (A17.0) .....                                                                    | 12 |
| Tos ferina(A37) .....                                                                                   | 12 |
| Meningitis meningocócica(A39.0) .....                                                                   | 12 |
| Enfermedad invasiva por neumococo(A40.3, G00.1, J13) .....                                              | 13 |
| Infecciones invasivas por haemophilus influenzae (A41.3, G00.0, J14) .....                              | 13 |
| Varicela(B01) .....                                                                                     | 13 |
| Rubéola(B06) .....                                                                                      | 13 |
| Tétanos neonatal(A33) .....                                                                             | 14 |
| Tétanos(A34, A35) .....                                                                                 | 14 |
| Parotiditis infecciosa(B26) .....                                                                       | 14 |
| Síndrome de rubéola congénita(P35.0) .....                                                              | 14 |
| Enfermedades infecciosas y parasitarias del aparato digestivo .....                                     | 15 |
| Cólera(A00) .....                                                                                       | 15 |
| Fiebre tifoidea(A01.0) .....                                                                            | 15 |
| Otras salmonelosis(A02) .....                                                                           | 15 |
| Shigelosis(A03) .....                                                                                   | 15 |
| Infecciones intestinales por otros organismos y las mal definidas<br>(A04, A08-A09 EXCEPTO A08.0) ..... | 16 |
| Intoxicación alimentaria bacteriana(A05) .....                                                          | 16 |
| Amebiasis intestinal(A06.0-A06.3, A06.9) .....                                                          | 16 |
| Absceso hepático amebiano(A06.4) .....                                                                  | 16 |

|                                                                                    |    |
|------------------------------------------------------------------------------------|----|
| Otras infecciones intestinales debidas a protozoarios (A07.0, A07.2, A07.9) ....   | 17 |
| Giardiasis(A07.1) .....                                                            | 17 |
| Otras helmintiasis(B65-B67, B70-B76, B78, B79, B81-B83<br>excepto B73 y B75) ..... | 17 |
| Ascariasis(B77) .....                                                              | 17 |
| Enterobiasis(B80) .....                                                            | 18 |
| Paratifoidea y otras salmonelosis(A01.1-A02) .....                                 | 18 |
| Enfermedades infecciosas del aparato respiratorio .....                            | 19 |
| Faringitis y amigdalitis estreptocócicas(J02.0, J03.0) .....                       | 19 |
| Infecciones respiratorias agudas(J00-J06, J20, J21 EXCEPTO J02.0 Y J03.0) .....    | 19 |
| Neumonías y bronconeumonías (J12-J18 EXCEPTO J18.2, J13 y J14) .                   | 19 |
| Otitis media aguda(H65.0-H65.1)                                                    | 19 |
| Tuberculosis respiratoria(A15-A16) .....                                           | 20 |
| COVID-19 .....                                                                     | 20 |
| Enfermedades de transmisión sexual .....                                           | 21 |
| Sífilis congénita(A50) .....                                                       | 21 |
| Infección gonocócica del tracto genitourinario(A54.0-A54.2) .....                  | 21 |
| Linfogranuloma venéreo por clamidias(A55) .....                                    | 21 |
| Chancro blando(A57) .....                                                          | 22 |
| Tricomoniiasis urogenital(A59.0) .....                                             | 22 |
| Herpes Genital (A60) .....                                                         | 22 |
| Vulvovaginitis(N76) .....                                                          | 22 |
| Infección por el virus de la inmunodeficiencia humana (B20-B24, Z21) .....         | 23 |
| Candidiasis urogenital(B37.3-B37.4) .....                                          | 23 |
| Enfermedades Transmitidas por Vector .....                                         | 24 |
| Tifo epidémico(A75.0) .....                                                        | 24 |
| Tifo murino(A75.2) .....                                                           | 24 |
| Otras rickettsiosis(A79) .....                                                     | 24 |
| Fiebre manchada(A77.0) .....                                                       | 24 |
| Dengue no grave(A90) .....                                                         | 25 |
| Dengue con signos de alarma(S/C) .....                                             | 25 |
| Dengue grave(A91) .....                                                            | 25 |
| Enfermedad por virus Chikungunya(A92.0) .....                                      | 25 |

|                                                                                             |    |
|---------------------------------------------------------------------------------------------|----|
| Fiebre del oeste del Nilo(A92.3) .....                                                      | 26 |
| Infección por virus Zika(U06.9) .....                                                       | 26 |
| Paludismo por plasmodium falciparum(B50) .....                                              | 26 |
| Paludismo por plasmodium vivax(B51) .....                                                   | 26 |
| Zoonosis .....                                                                              | 27 |
| Brucelosis(A23) .....                                                                       | 27 |
| Leptospirosis(A27) .....                                                                    | 27 |
| Rabia humana(A82) .....                                                                     | 27 |
| Teniasis(B68) .....                                                                         | 27 |
| Cisticercosis(B69) .....                                                                    | 28 |
| Triquinosis(B75) .....                                                                      | 28 |
| Otras Enfermedades Exantemáticas .....                                                      | 29 |
| Erisipela(A46) .....                                                                        | 29 |
| Escarlatina(A38) .....                                                                      | 29 |
| Enfermedades Transmisibles .....                                                            | 30 |
| Mal del pinto Erisipela(A46) .....                                                          | 30 |
| Tuberculosis otras formas .....                                                             | 30 |
| Lepra (A30) .....                                                                           | 30 |
| Hepatitis vírica C .....                                                                    | 30 |
| Otras hepatitis víricas(B17-B19 excepto B17.1, B18.2) .....                                 | 31 |
| Conjuntivitis epidémica aguda hemorrágica(B30.3) .....                                      | 31 |
| Tripanosomiasis americana (enfermedad de Chagas) aguda<br>(para 2017) )(B57.0-B57.1).....   | 31 |
| Tripanosomiasis americana (enfermedad de Chagas) crónica<br>(para 2017) (B57.2-B57.5) ..... | 31 |
| Toxoplasmosis(B58) .....                                                                    | 32 |
| Meningoencefalitis amebiana primaria(B60.2) .....                                           | 32 |
| Escabiosis(B86) .....                                                                       | 32 |
| Conjuntivitis mucopurulenta(H10.0) .....                                                    | 32 |
| Infección asociada a la atención de la salud(S/C) .....                                     | 33 |
| Infección de vías urinarias(N30, N34, N39.0) .....                                          | 33 |
| Enfermedad febril exantemática(U97) .....                                                   | 33 |
| Parálisis flácida aguda(U98) .....                                                          | 33 |

|                                                                                                   |    |
|---------------------------------------------------------------------------------------------------|----|
| Enfermedades bajo Vigilancia Sindromática .....                                                   | 34 |
| Síndrome meníngeo(G00-G03 excepto G00.0, G00.1) .....                                             | 34 |
| Infección de vías urinarias(N30, N34, N39.0) .....                                                | 34 |
| Enfermedad febril exantemática(U97) .....                                                         | 34 |
| Parálisis flácida aguda(U98) .....                                                                | 34 |
| Síndrome coqueluchoide(U99) .....                                                                 | 35 |
| Enfermedades No Transmisibles .....                                                               | 36 |
| Intoxicación por plaguicidas(T60) .....                                                           | 36 |

## Boletín Epidemiológico

- ❖ El Boletín Epidemiológico semanal del Sistema Único de Información, es el medio oficial de difusión de la morbilidad del Sistema Nacional de Vigilancia Epidemiológica (SINAVE).

Este documento responde al inciso 10.1 de la NORMA Oficial Mexicana NOM-017-SSA2-2012, Para la vigilancia epidemiológica, que a la letra dice “La información resultado de la vigilancia epidemiológica debe difundirse a través de reportes impresos o electrónicos que favorezcan la accesibilidad a los datos, de acuerdo con lo establecido en el apéndice informativo C y los manuales correspondientes”. También da cumplimiento al Reglamento Interior de la Secretaría de Salud, el cual establece en el Capítulo X, Artículo 32 Bis, inciso XIII que la Dirección General de Epidemiología debe “Difundir, en forma oportuna los resultados e información generada por las acciones de vigilancia epidemiológica”.

- ❖ Este boletín cumple con la función de difundir los casos nuevos de los padecimientos sujetos a vigilancia cada semana por sexo, grupo de edad por Jurisdicción é Institución.
- ❖ Se publica cada semana y difunde la información de 146 enfermedades sujetas a Vigilancia Epidemiológica.

| Padecimiento                                                                       | Femenino | Masculino | TOTAL |
